Allergy

a medical condition in which a person's body cannot tolerate a certain substance

"The chef had to prepare a special meal for the guest as he had an allergy to butter."

Assembly point

an arranged point at which people should meet if a building is evacuated

"The receptionist was in charge of making sure that all guests were present at the assembly point."

Bandage

a length of material which can be wrapped around a part of the body to either provide support or to ease bleeding

"When she fell over she hurt her ankle, so the doctor put a bandage on her ankle to support it."
